Special Issues

In addition to our standard bi-weekly publications, The Voice publishes 2-3 *special issues* every Fall. Themes include the Basketball Preview, highlights of Student Fashion, the Environment, and a DC Spotlight.

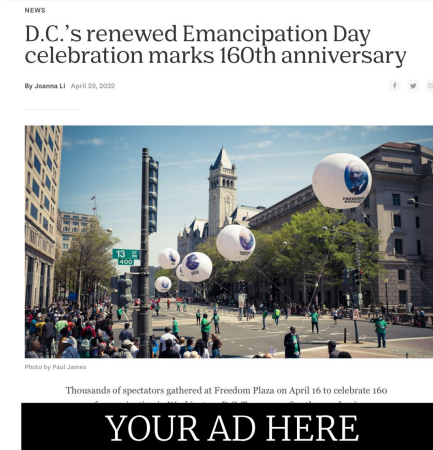

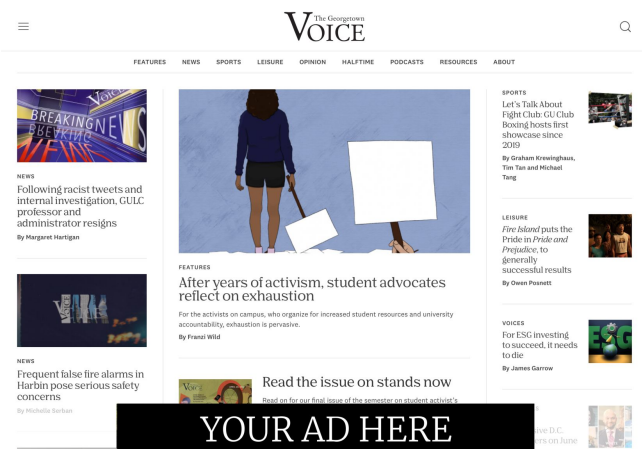

We offer special advertising opportunities, both online and print, for partnerships specific to relevant subjects during this time.

Online Advertising

www.georgetownvoice.com publishes an average of **25 articles** and reaches an average from **45,000 – 60,000 impressions** per week. Advertising on our website is a great way to reach the Georgetown University student body, faculty, and alumni, who visit our website daily to catch up on breaking news, sports recaps, and restaurant reviews, columns, op-eds, and much more.

Online ads will appear continuously as users scroll down the page and across other articles on our website. Additionally, web pages may be linked to our online ads for users to click through to.

Print Advertising

The Georgetown Voice is distributed on a **bi-weekly** basis from September through May across the Georgetown University Main Campus, in easy reach of the more than 18,000 undergraduate and graduate students, as well as around 4,500 faculty members, staff, and employees. We also distribute our issues at local neighborhood cafes, reaching the Georgetown neighborhood residents. Our print magazines are known for their **creative and eye-catching design** in addition to our **awarded writing**.
